The D7xx Series – Quality, Advanced Features & Worldwide Recognition

The professional D7xx Series telephones are aesthetically appealing, offering a highly practical industrial design to meet mission critical business requirements where the telephone is a key tool in every day work.

These high performance devices provide the best in wideband HD audio, ensuring crystal clear sound quality. Bluetooth-compatibility, high definition displays, colour screens, programmable keys ensure a continual overview of numerous extensions. A preinstalled certificate to enable secure provisioning without manual intervention, robust CTI integration to support security standards such as TLS and SRTP.

The series meets all business budgetary requirements in seven models from the entry level up to the executive office.
